STEP 4 (continued)**WITHDRAWAL DETAILS**

Note:

1. The maximum regular withdrawals you may take in any year will depend on the contract type.
2. Percentage withdrawal of fund value is not an option for the Guaranteed With Profit Bond or the Complete Investment Portfolio. We will not pay the regular withdrawal if the calculated figure falls below the minimum amount.
3. If you are invested wholly or partially in any of the Safety Plus Funds, regular withdrawals must be taken at the Quarterly Dealing Date i.e. quarterly, half-yearly or yearly.
4. If you have invested in any of the Safety Plus Funds, you only need to state the month and year of the 1st payment. Regular withdrawal payments from Safety Plus Funds are paid on the 4th Wednesdays of January, April, July and October.
5. The cost of telegraphic transfers will be deducted from the regular withdrawal payment before it is paid. So, for example, if you choose a regular withdrawal of £300 to be paid monthly, what will be paid is £300 less the cost of the transaction.
6. For the Complete Investment Portfolio, apart from the SMI Portfolio, all withdrawals are taken from the Cash Account. Withdrawals from SMI Portfolio will be taken on a pro rata basis from all the investments if more than one investment has been chosen. Any withdrawal from a With Profits Fund must not exceed the Annual MVR Free Allowance for that fund.
7. Depending on the contract type the value of the units cancelled will take account of any Terminal Bonus, Market Value Reduction, Allocation Charge or Surrender Charge that may apply.
