Charges in rates and exchange may cause the value of the investment to fluctuate. Past performance should not be taken as a guide to the future and you should remember that the price of the units may go down as well as up and is not guaranteed.

Scottish Mutual International provides no warranty as to the performance of the funds. Any investment decisions regarding the suitability of the funds should be taken in consultation between and investor and their IFAs, the IFAs having considered the investors individual circumstances and attitude to risk.
